

9th Annual Chamber Fair

May 24, 25 & 26, 2024

2024 SPONSORSHIP LEVELS

Dear Chamber Member,

I am excited to invite you to participate in our 9th Annual Chamber Fair, taking place on **May 24th, 25th, and 26th, 2024**. This event has become a staple in our community, attracting over a thousand attendees each year. We are offering sponsorship opportunities at three different levels: Gold, Silver, and Bronze, as well as a new level this year - Brand the Parking Team.

Gold Level Sponsorship - \$1000.00

As a Gold sponsor, your business will receive prominent recognition with your logo appearing on our print advertising, including newspaper ads, 4000 brochures distributed regionally, posters, name on sponsor board at the fair and on social media.

Silver Level Sponsorship - \$500.00

At the Silver level, your business will be recognized with your logo featured on our print advertising, including newspaper ads, 4000 brochures distributed regionally, posters, name on sponsor board at the fair, and on social media.

Bronze Level Sponsorship - \$250.00

The Bronze level sponsorship includes recognition as a sponsor with your name on the sponsor board at the fair, and on social media.

New Level: Brand the Parking Team - \$750.00

This year, we are introducing a new sponsorship opportunity where you can brand the parking team. Your business or group will have the chance to showcase your brand on promotional materials to attendees or put on windshields, display signage in the parking areas and have your staff volunteers wear their branded workwear. All branded materials must be provided by sponsor. Your team will provide a minimum of 6 volunteers to manage parking on Saturday from 9:30 AM to 3:30 PM, with the Chamber offering training and support throughout the day. You will also feature on the sponsor board and social media advertising.

We believe that your support at any of these levels would greatly benefit both your business and our community. We look forward to the possibility of partnering with you to make this year's Chamber Fair a huge success.

Sponsorship deadline: April 15, 2024

If you are interested in becoming a sponsor or have any questions, please contact us at:
