Collective Impact and Engagement!

The most important reason to join any Chamber of Commerce is to help your business engage, influence and make an impact on your community. The Chamber can help do this in various ways .

- ◆ Networking
- ◆ Visibility
- ◆ Growth
- ◆ Advocacy
- ◆ Benefits
- ◆ Community
- ◆ Learning

What do we do?

Networking - Grow your business network by joining with over 85 members at events each year such as our AGM, "Business After 5" and "Neepawa Chamber Fair" to kickoff valuable new relationships.

Visibility - With our new social media platforms growing everyday, you will stand out and be seen with increased exposure on our directory, website and through sponsorship opportunities.

Growth - We are working together with our partners at "Neepawa Tourism" to bring more business and customers to you through tourism outreach and community events.

Advocacy - With our voices joined together we have a larger impact and advocacy with local, provincial, and federal governments.

Benefits - You will gain access to hotel and fuel discounts, shop for computers to consulting advice, corporate freebies and our very own Chambers Plan Group Insurance available to Chamber members only. Plus much more.....

Community - When you help grow a place where people want to live and work you are part of a strong local economy. Participation in local events helps name recognition and impact.

Learning - Access to training opportunities and resources with support from industry partners.

Who are our members?

Our members are farmers, business professionals, entrepreneurs, and health care workers. They are also community organizers and mom's and dad's. Any one with a business or even individuals, non-business, or non-profits can join.

Make the most of your membership!

There are four ways to make the most of your Chamber membership!

1. **Attend our events!** - Check emails to see what is coming up, join a Chamber/ Tourism Workshop or attend a "Business After 5".
2. **Host your own event!** - Want to be the host of a BA5, training seminar or a Chamber fundraiser?
3. **Volunteer!** - We always need help on our Chamber Fair committee and with our Santa Parade as well as other opportunities.
4. **Sponsorship!** - With your sponsorship dollars you can show your community support and also receive great advertising opportunities.

We are here to help local businesses grow and thrive, increase local job opportunities and aid in the economic stability of the community. We encourage expansion in a forward-looking and thoughtful way.
