Ever asked “What do I get for my membership anyway?”

Top 10 Benefits of Chamber Membership

Joining your local Chamber of Commerce is not just about being part of a prestigious network; it's about accessing a wealth of resources, exclusive opportunities, and support that can propel your business to new heights. Here's a look at the top ten benefits you receive with your Chamber membership:

1. Exclusive Directory Listing

Your business will be featured in our exclusive directory, making it easy for potential clients and partners to find and contact you. This listing serves as a trusted source of information and enhances your visibility within the community.

2. Annual Social Media and Promotion Posts

Benefit from exclusive social media promotions and annual posts that showcase your business to a broader audience. Engage with the community and boost your brand's online presence.

3. Event Promotion Opportunities

Gain exclusive options to promote your business at our events, such as the Chamber Fair in May. These events offer unique opportunities to connect with other businesses and potential customers.

4. Local Chamber Bucks Program

Participate in our Chamber Bucks program, a local initiative designed to keep dollars in town. Encourage community support and drive local spending directly to your business.

5. Exclusive Benefits Plan

Access a comprehensive benefits plan tailored for you and your employees. This plan includes a variety of medical, dental, and optical health options, suitable even for the smallest businesses.

6. Host a Business After Hours Event

Utilize the exclusive option to host a Business After Hours event. Network with other members in a relaxed setting, fostering meaningful connections and potential collaborations.

7. Affinity Program Access

Enjoy discounts through the Manitoba Chamber of Commerce affinity program, which offers savings on hotels, gas, computers, and more. These discounts provide tangible savings for your business operations.

8. Free Training and Development

Participate in free training and employee development webinars and in-person classes. Enhance your skills and improve your team's performance with continuous learning opportunities.

9. Advocacy and Government Relations

Receive advocacy support from the Chamber Board, which actively engages with all levels of government. We work to promote better road conditions locally, address payroll tax talks at the provincial level, and facilitate local meet-with-council events.

10. Community and Business Support

Be part of a community that supports and champions local businesses. Gain access to resources, mentorship, and a network of experienced professionals eager to see your business succeed.

By becoming a member of the Chamber of Commerce, you are investing in your business's growth and your community's future. Join us today and start reaping the benefits of this vibrant and supportive network!
